International Day of Older Persons: *Strike* a Change for Alberta Seniors Forum

Join us at AUPE Headquarters on October 1, 2025

In just four days, the AUPE Women's Committee and Friends of Medicare are co-hosting a panel discussion on the International Day of Older Persons at AUPE Headquarters. If you work in seniors care, are a caretaker or an advocate – this forum is for you!

Discussions will be led by experts like:

- Dr. Paul Parks, the former president of Alberta Medical Association
- Janna Klostermann, assistant professor in the Department of Sociology and specializes in paid and unpaid care work.
- Chris Gallaway, the executive director of Friends of Medicare

There will also be a panel discussion with seniors who can speak to their experiences in care as well as a workers who are on the frontlines of Continuing Care.

AUPE members interested in attending and require time-off can send a request to Jami Payne at j.payne@aupe.org.
