

BARGAINING UPDATE

COVENANT HEALTH – NURSING CARE

LOCAL 040 CHAPTERS 001, 002, 004–009, LOCAL 046 CHAPTERS 005–007

Your team sent the employer revised proposals

Your negotiating team officially invited Covenant Health back to the bargaining table. However, Covenant Health said they would return only if we updated our proposals.

We believe we can negotiate a new collective agreement without mediation, so your team met on August 21 and 22 to revise our proposals. We sent them to the employer on September 17 and will keep you updated on their response.

Your team is committed to reaching a fair deal at the table that respects the vital contributions we make to Alberta's health-care system. We hope Covenant Health shares this commitment.

Please contact a member of your negotiating team if you have any questions.
