

did you know

Your Union does all this?

- 1. Negotiates Your Agreement**
establishing working conditions, wages, and benefits
- 2. Protects Your Rights**
through grievances, and arbitration procedure, and join consultation committees
- 3. Regulates Health & Safety**
by monitoring worksites and investigating problems
- 4. Provides Education**
on union matters and other areas of interest to members
- 5. Communicates Regularly**
through *Direct Impact* and other publications
- 6. Provides Emergency Financial Help**
through the Members' Benefits Fund
- 7. Assists with Negotiated Benefit Issues**
such as life insurance, long-term disability, health benefit plans and pensions
- 8. Plans Social Activities in Area Councils**
such as dances, curling bonspiels, barbecues, and sports tournaments

**For more details, contact your
union steward, worksite contact,
or the Member Resource Centre.**
