

BARGAINING UPDATE

GOOD SAMARITAN SOCIETY – GROUP HOMES STAFF LOCAL 042 CHAPTER 007

Time to start bargaining for raises

Your negotiating team wants to thank members for their understanding and patience during this round of bargaining. Because Good Sam is funded through the Government of Alberta, we waited for bargaining with the government to end to proceed with our monetary negotiations.

To prepare, we are reviewing our monetary proposals.

We have reached out to the Employer to schedule bargaining meetings, but they have advised that they wish to wait until AHS bargaining has been completed. Because of this, we are back in a temporary holding pattern.

Please contact a member of your negotiating team if you have any questions.
