New bargaining meetings are scheduled

Covenant Health has agreed to return to bargaining.

Your negotiating team has scheduled new meetings with the employer on November 20 and 21.

We believe we can reach a fair deal at the bargaining table. Your team is eager to review Covenant Health's response to our new proposals, which we submitted on September 17.

Sign up for a MyAUPE account today! You need an account to participate in future votes, including our ratification vote and possible strike vote.
