AHS blinks! We have a tentative agreement – please return to work

AHS Nursing Care members have set a new standard in health care and the labour movement.

Your negotiating team reached a tentative agreement with AHS mere minutes before our strike was scheduled to begin.

Please return to work as directed by your management.

We will share another bargaining update with more details about the tentative agreement as soon as possible.

Your team will also hold a press conference at 11:00 a.m. this morning to share more details with you, the media, and the public.

Reaching this tentative agreement was only possible because of your strength, solidarity, and willingness to fight for what you deserve.
