

# BARGAINING UPDATE

## COVENANT HEALTH LOCAL 040 – GENERAL SUPPORT SERVICES

### We signed off on a couple non-monetary Articles

Your negotiating team met with the employer on October 29 and 30 to continue bargaining.

Covenant Health responded to the updated proposals we gave them on June 11, but their proposals still don't address what you've said matters most to you. We signed off on only a couple non-monetary Articles and LOUs.

We will focus on our monetary proposals when we meet again on December 15 and 16.
