

BARGAINING UPDATE

LEGACY LODGE

LOCAL 048 CHAPTER 020 – NURSING CARE & GSS

Bargaining hinges on developments at AHS tables

Your negotiating team met on Nov. 12 to discuss what's happening at bargaining tables for nursing-care and General Support Services (GSS) workers employed by Alberta Health Services (AHS).

We also reviewed our outstanding monetary offer, which we are preparing to present when we resume bargaining.

Bargaining for these bigger tables can set a pattern for what happens at other employers, so we need to see how things play out there.

You can read the latest bargaining update on AHS nursing care [here](#). The latest bargaining update for AHS GSS can be found [here](#).

Please stay tuned for further updates. If you have questions, reach out to a member of your negotiating team.
