

BARGAINING UPDATE

GOOD SAMARITAN SOCIETY

LOCAL 042 CHAPTERS 001-006, 008-013 - CONTINUING CARE STAFF

We're ready to bargain

Your negotiating team met on December 2 to prepare for bargaining.

We made some adjustments to our proposals to better reflect our needs and prepare for future meetings with the employer.

Our adjustments aligned many proposals with the new agreement between AHS and AUPE Nursing Care members.

We are also eager to see the results of bargaining between AHS and AUPE General Support Services members. We are prepared to align our proposals with that agreement as well.

We will continue to keep you informed as negotiations progress.

Please contact a member of your negotiating team with any questions or concerns.
