

# BARGAINING UPDATE

## SIENNA AIRDRIE CARE COMMUNITY LOCAL 048 CHAPTER 056 - ALL STAFF

### Bargaining survey coming soon

Your negotiating team is preparing to bargain for our first collective agreement.

Your input is a critical part of those preparations. We need to know what matters to you so we can fight for your priorities at the bargaining table.

#### **Fill out our bargaining survey next week!**

Your negotiating team will share the survey with you.

Your individual responses to the survey will not be shared with the employer. We will use the information to inform our proposals without any personal details included.

Whether it's improved wages, benefits, or scheduling, we need you to share what you want to see in our first collective agreement. The agreement will determine our working conditions for years, so it's important we get it right.

We look forward to hearing from you.

Please reach out to a member of your negotiating team with any questions or concerns.
